

Vancouver Natural History Society (Nature Vancouver) was founded in 1918 by Professor John Davidson with the following objectives:

- To promote the enjoyment of nature
- To foster public interest and education in the appreciation and study of nature
- To encourage the wise use and conservation of natural resources
- To work for the complete protection of endangered species and ecosystems
- To promote access to, and maintenance of, natural areas in the vicinity of Vancouver.

Volunteer Opportunities

The programs, field trips and all other activities of Nature Vancouver are made possible by a dedicated group of volunteers. There is always room for new members to contribute their time and expertise. To find out more about how you can help please contact Margaret Coutts at 604-512-1413 or margaretcoutts@shaw.ca.
