MEMBERSHIP APPLICATION AND RENEWAL FORM

Founded in 1918 by Prof. John Davidson, **Nature Vancouver** is a not-for-profit charitable society, registered under the BC Societies Act. All donations to the Society other than membership dues are tax deductible. Membership in Nature Vancouver is open to all.

Nature Vancouver is a federated club of BC Nature; so members of Nature Vancouver are also members of BC Nature and receive its quarterly newsletter, **BC Nature**.

BC Nature also provides third-party liability insurance for members who participate in field trips organized by Nature Vancouver, BC Nature or other member clubs.

The programs offered by Nature Vancouver include weekly field trips, and evening programs on birds, botany, marine biology and natural history topics.

Workshops on subjects such as bird identification and digital photography are also available to members. An annual week-long summer camp is organized in different parts of BC, usually in alpine wilderness.

The Conservation Section undertakes nature conservation initiatives in Metro Vancouver.

Discovery, an annual journal of natural history, and **Vancouver Naturalist**, a quarterly newsletter, are included with the membership.
